

Appl. No. 10/604,789  
Amdt. dated May 12, 2005  
Reply to Office action of April 07, 2005

**REMARKS/ARGUMENTS**

Please amend claims 7 and 13 as detailed in the "Amendments to the Claims" section of this response and the paragraphs cited in the "Amendments to the Specification" section of this response as indicated. All changes are made merely to comply with, and overcome, the  
5 Examiner's objections. No new material has been introduced. Without disclaimer of any kind regarding the merits of claims as originally filed, claims 16 and 17 have been cancelled.

As the Examiner has stated in this Office action that claims 1-15 are allowed if the Examiner's objections are overcome, the Applicant now considers the application to be in condition for allowance and, should the Examiner concur, respectfully requests that a timely  
10 Notice of Allowance be issued in this case.

Respectfully submitted,

Date: May 12, 2005
